

REMARKS

The present amendment supplements the amendment dated October 26, 2005 and is responsive to the Advisory Action of November 22, 2005.

CLAIM 17

Claim 17, which the Examiner indicates raises new issues so that the amendment will not be entered has now been canceled without prejudice.

CLAIM 13

While not listed under "Continuation of 5" on page 2 of the Advisory Action among the allowable claims, it is noted that in paragraph 7, claim 13 was not rejected. In addition, claim 13 was indicated to be allowable in the Official Action of October 13, 2005, page 3, second to the last line. It is therefore believed to be the Examiner's intention to allow claim 13.

Having now canceled all unallowed claims, the application should therefore be in condition for immediate allowance.

Favorable consideration and a prompt notice of allowance is therefore believed to be in order and is respectfully requested.

Respectfully submitted,
